as well as elevating awareness of student contributions to the District 7 Community at large.

Application:

Students wishing to be considered for Student of the Month (SOTM) must complete an application via the district website. The application process will require a written explanation as to why the student feels they should be selected for the award. The committee is encouraged to consider the students' contributions up to that point, rather than a specific start and end date timeline.

Process:

- 1.) Students will be made aware of the SOTM award during an all class assembly at the start of the school year. Additionally, there will be procedures posted on bulletin boards throughout the high school building and online.
- 2.) Students will complete the application online and will submit a handwritten essay to the GHS office explaining why they feel they should be chosen as SOTM. The application process will be open throughout the school year, but monthly deadlines will be set for applications and essays to be considered.
- 3.) One Senior will be chosen each month. To be considered for SOTM, seniors MUST have application and essay submitted by the third Friday of each month. All students submitting an application and essay will be eligible for Student of the Year. However, no application submitted after the second Friday of May will be considered for SOTM or Student of the Year.
- 4.) A committee made up of faculty members appointed by and including the principal will convene to determine the SOTM and the Student of the Year.
- 5.) SOTM recipients will be celebrated during the following month after the announcement is made (e.g., throughout the month of October, "September SOTM" will be celebrated).

Recognition:

Recipients will be recognized in the following ways:

- Certificate of Commendation, \$50 monetary award from United Community Bank for SOTM, and \$1,000 monetary award for Student of the Year.

- Name and picture and bios posted on the school Facebook page.
- Name, picture, and bio featured in the school and community newspapers twice each month.
- Announced during the monthly public session of the Board of Education.

Stipulations:

- 1.) Once selected by the SOTM committee, the name of the students will be passed onto school administration for final approval. Administration may reject the committee's selection because of disciplinary issues, attendance concerns, etc. In this case, the committee will consider another candidate.
- 2.) The committee may also approach the teachers of the students selected for that month. This is to ensure that the best candidate is selected and that there are no underlying issues throughout his/her daily schedule.
- 3.) Students who are selected as SOTM will not be able to earn the award again that school year.
